

One Box License

Congratulations on purchasing this fascinating bundle! We know that you can't wait to start using all of these fancy items, but first, take a quick look below. Here are a few simple tips that will help you to understand what you can and can't do with the assets.

It's Okay To:

- Use any items from One Box for both personal and commercial use as if you had bought them separately.
- Use any included installable items (like font or add-on) on a single computer only; you can use them for for any number of projects.

It's Not Okay To:

- Resell or redistribute any included items as they are, directly, or along with other free or premium products.
- Share included items with others. This license is meant for a single user only.
